### MENTAL PRESS RELEASE.EN

Synthematik presents a brand new maxi-single “Fallen Stars” from the talented Russian futurepop artist Mental Discipline featuring guest appearances by Felix Marc (Diorama / Frozen Plasma) and Peter Rainman (People Theatre)!

Mental Discipline is a one-man project formed by Alexandr Krivoruko in 2008. After releasing a couple of demos packed with catchy and danceable tracks, it has become widely recognized as one of Russia’s most promising futurepop projects.

‘Fallen Stars’ was originally an instrumental track released on the project’s first demo in 2008. Now it has been given a second life thanks to the renowned guests who contributed to the track with their creativity and talent. As a result, one can enjoy two versions of ‘Fallen Stars’, each with a completely different lyrics and vocal melody combined with the catchiness of the original music.

Both versions got proper remix treatment from such artists as Foretaste, !distain, Alpha Point, Mechanical Apfelsine and Systemshock. In addition, the single also includes a remixed version of one of the project’s recognized hit songs ‘Battlefield Of Love’ delivered by Per Aspera.

To make a long story short: this release is a real must listen for any fan of synthpop and futurepop music!

### MENTAL PRESS RELEASE.RU

Synthematik представляет новый сингл “Fallen Stars” талантливого российского проекта Mental Discipline, записанный с гостевым участием Феликса Марка (Diorama / Frozen Plasma) и Питера Райнмана (People Theatre)!

В оригинале композиция ‘Fallen Stars’ была выпущена в виде инструментального трека на первом демо альбоме Mental Discipline в 2008 году. Теперь же этот трек получил второе рождение благодаря участию именитых гостей, которые привнесли в композицию свое мастерство и талант. В результате появились две разные версии ‘Fallen Stars’, каждая со своей лирикой и вокальной мелодией, помноженные на несомненную хитовость оригинального трека.

Обе версии заглавного трека получили отличную поддержку в виде ремиксов от Foretaste, !distain, Alpha Point, Mechanical Apfelsine и Systemshock. Кроме этого, сингл также содержит ремикс на один из главных хитов проекта ‘Battlefield Of Love’ от Per Aspera.

Данный релиз без сомнения обязателен к прослушиванию каждым любителем качественной synthpop и futurepop музыки!
